

Your Donation is a Win-Win!

Did you know?

Arizona tax law offers a tax credit for contributions made to certain charities that provide assistance to the working poor. Caring Coalition AZ is one of these qualifying charitable organizations. The maximum amount of this credit is \$800 for married taxpayers and \$400 for individuals.

How the QCO Tax Credit Works*

Anyone who pays Arizona state taxes may be eligible for the Qualifying Charitable Organization Tax Credit, which, unlike a deduction, reduces your state income tax bill dollar-for-dollar. *For example:* if you owe \$1,000 in state income tax, and you donate \$800, you may subtract the \$800 from your tax bill and pay the state only \$200.

The Arizona QCO Tax Credit can be taken in addition to the Private and Public School Tax credits offered by Arizona!

New from 2018: Donors are now required to use **QCO Code #20773** when taking tax credit for their donation to Caring Coalition AZ on their income tax returns. Please retain this portion for your records.

*As always, consult with your tax advisor.

I would like to donate to the Caring Coalition AZ QCO Tax Credit Program!
